TIMING. Your acceptance of this agreement indicates you are ready to have the work performed now and do not need prior notice to crew arrival. Crews may arrive unannounced to perform the work. You may be charged up to \$250.00 if a crew arrives but cannot perform the work due to circumstances under your control, such as physical barriers, you or your agent sending the crew away, etc. We respectfully request that you inform us in advance if there are factors you are aware of that may prevent us from performing the work at our convenience, such as physical barriers (e.g., locked fences), dogs in your backyard, etc. If you prefer or require advanced notification, these arrangements can be made and noted on the proposal. STUMPS. Unless otherwise noted, flushed stumps will be just above the root crown. The mixture of wood, soil and air resulting from the stump grinding process will be raked over the site of the former stump and not hauled away, resulting in a mound that will not be level with the ground. Stumps will be ground below grade of surrounding soil. Unless otherwise agreed to in the Quote or a Change Order, the following are not part of the Contract unless an amount or a rate is specifically listed: a) Stump removal; b) Removal of stump grindings; and c) Surface and subsurface roots.
